Programme - Friday, February 5th

08:30 - 09:00 **Registration and welcome coffee**

9:00 – 10:30 **Parallel Sessions**

Scientific Session 1: Systems Biology of the lungs

1. Prof. dr. ir. Martijn Nawijn, Professor in Systems Biology in Chronic Respiratory Disease, UMCG
2. Speaker to be confirmed
3. Speaker to be confirmed

Scientific Session 2: Lung Function trajectories across the lifespan

1. Prof. dr. Gerard Koppelman, Paediatric Pulmonologist, UMCG
2. Prof. dr. Marlies Wijsenbeek, Professor of Interstitial Lung Diseases, Pulmonologist Erasmus MC
3. Prof. dr. ir. Lidwien Smit, Professor of One Health and Environmental Epidemiology, Universiteit Utrecht

10:30 - 11:00 **Coffee Break**

11:00 – 12:30 **GSK Sparrow Award – to be confirmed**

12:30 - 13:30 **Lunch break, exhibition, poster viewing**

Mentoring session will be run during this lunch break

12:45 – 13:25 **Lunch symposium**

13:30 – 15:00 **Parallel Sessions**

Scientific Session 3: Longfonds Publiekssessie (in Dutch)

Chairs: Dr. Károly Illy, Longfonds and Dr. Agnes Boots, Maastricht University

1. Dr. Elin Kersten, Paediatric Pulmonologist, UMCG
2. Padmini Kedhoe, Assistant Professor, LUMC
3. Poster session with patients (lay posters) – presentation contributes to the impact award assessment (30 mins)

The top 5 impact statement authors are invited to prepare and present their science as a lay poster to patients, carers and other associated individuals

Scientific Session 4: Vessel Dysfunction in the Lungs

1. Dr. Jurjan Aman, Pulmonologist/researcher, Amsterdam UMC
2. Dr. Esther Pompe, Cardiothoracic radiologist, UMCU
3. Speaker to be confirmed

Scientific Session 5: Optimising Storytelling and Visualization of Data for Science Communication

Sjors Maassen, Postdoc Lung disease, UMCG

Lisan Assen, Project Manager, UMCG

15:00 - 15:15 **Coffee break, exhibition,**

15:15 – 16:15 **Plenary Session 2 Plugging and Unplugging the Airways**

1. Prof. James Chalmers, Chair of Respiratory Research, Cardiology, University of Dundee, Scotland
2. Dr. Janna Nawroth-, Principal Investigator, Helmholtz Pioneer Campus, Munich, Germany

16:15 - 17:00 **Awards Ceremony & Closing**
